

Release 252

Heroes of Dracania,

Release 252 is all about celebration, entertainment and fun! Phestos is bringing to you an updated version of the Anniversary Event, adjustments and bug-fixes. Drakensang is celebrating 10 amazing years, with all its sad and fun moments alike. **THANK YOU** all for being part of this community and for your loyalty through the years. Long live DSO!

Enjoy the release!

P.S. Improvements that were based on player feedback and wishes are marked with 🤔

Bug fixes

- Loot
 - An issue where auto-pickup was not working when collecting Silver Peeble has been fixed 😊
- Dungeons
 - An issue where Greedy Goblins spawning from lockpick chests had a Sentinel title but blue name has been fixed 😊
 - Leaving the **Glowing Cave** using the “arrow” exit was teleporting the player back to the travel post instead of outside the map’s entrance. This has been fixed now
 - An issue where Destructor boss was able to receive damage during its healing phase has been fixed
 - An issue where **Kingshill in Former Glory** could be entered without an entry key has been fixed
- Daily Challenge
 - An issue where you were unable to complete a task to defeat 5 sentinels on Parallel World Infernal difficulty, has been fixed
- Offers
 - An issue where the Pre-Sale bundle for the **Defeat the Undefeatables** did not contain all displayed items has been fixed
- Shop
 - An issue where Veteran Bonus discount was not working properly in Emilia’s Shop for the Dragon Bone elixir formula has been fixed
 - An issue where there were no Carmot offers in Grima’s Shop during **Dessert of The Essences** event has been fixed
- Equipment / items
 - An issue where the **Jewel of Converse** duration was not working as intended has been fixed
 - An issue where the Sargon Doll could not be melted using Teleport Cage has been fixed
 - An issue where Vargulf’s Long Bow did not drop has been fixed
 - An issue where **Morti’s Exile Pauldron effect** was not dropping has been fixed 😊
- Audio
 - Sound for all Color Bomb emotes was missing. This has been fixed now
 - An issue where **Death Rider Horse** footsteps were not working as intended has been fixed 😊
- Skills & Talents
 - Ranger
 - An issue where the Hornet Cloud’s skill duration was not working as intended has been fixed.
 - An issue with Bird skill when using Master of Fire mastery has been fixed
- Premium Day
 - An issue where high-level items were greyed out in Emilia’s Shop has been fixed

- Quests
 - An issue where the map entrance for the **Dracanian Challenge Arena** appearing to group members who have not completed the required quest has been fixed
 - An issue where Qaizah quests were giving outdated items as reward has been fixed
 - An issue where the “Machine Maintenance” quest was not completing as intended has been fixed

- Anniversary Event
 - An issue where Worm Sentinels required special essences to receive damage in the Sewers Arena has been fixed
 - An object was covering the reward chest in the Riot of Rocketmen arena. This has been fixed now
 - An issue where some bosses in the Dracanian Challenge Arena stopped fighting completely after leaving the fight has been fixed
 - An issue where the anniversary pinata next to alchemist NPC in Kingshill could be opened only once has been fixed
 - An issue where there were no Mysterious Anniversary Eggs in Q10 map has been fixed
 - An issue where the Marks of Bravery stayed in your inventory even after you completed the quest has been fixed

- Client
 - Clicking on a special offer notification was causing a nebula. This has been fixed now
 - An issue where clicking on the “Additional Hotkey Bar- End of Trial” notification window causing the client to crash has been fixed

Detailed Section
